**Security Issue (Server Revocation) Adobe Connect**

If you can’t get in to your Adobe Connect class and you are being asked to view a Revocation Security Certificate, click on view the certificate, select Yes and then select Proceed.

If you still can’t proceed, you may need to change the security settings on your computer.

You can do this by following the steps below.

**On Internet Explorer:**

Select Tools

Select Internet Options

1. Open Internet Explorer.
2. Click on the 'Tools' button in the top menu.
3. In the drop-down menu, select 'Internet Options'.
Select Advanced

Scroll down the list to Security
Find ‘Check for server certificate revocation’ and un-tick the box

Restart Internet Explorer
